

COMMUNITY NEWS

Despite the recent cold snap there are welcome signs of Spring in the garden. Time to sort out the garden tools!

Easter falls at the end of March and the bank holiday weekend marks the opening of both Wilton Windmill and Crofton Beam Engines for the summer season. These fantastic landmarks are opened to the public weekly and host great events each year – all made possible by the volunteers who give their time to secure the future of these heritage sites.

There is no doubt that the health of our thriving parish is supported by many people who give their time and energy to our local organisations and groups. A relatively small number of people give a great deal of time and energy but just a few hours can make a real difference and develop a deeper connection to this wonderful parish. Email news@graftonparish.com if you'd like to know more.

Friday 30 March 10am is the time when the church will be prepared for Easter so please bring along any greenery which you can spare and, if feeling energetic, your dusters too!

Can you help in the Grafton Parish Spring Clean?

Each year Sunflowers at Grafton organise a litter pick across the five Grafton Parish villages to help keep our corner of the county looking lovely.

Many of you have helped before and we hope you will be able to take part again on Saturday 17 March, 11am to 1pm.* For those who haven't taken part previously – you'll be amazed at how much litter gets picked up!

* Finished in time for the final Six Nations match!

You are all very welcome. Please bring a sturdy pair of gloves – gardening gloves are ideal. There will be co-ordinators in each village – simply meet on the day at 11am:

- East Grafton – Coronation Hall
- West Grafton – notice board
- Wilton – by the pond
- Wexcombe – at the bus stop
- Marten – noticeboard

Youth Group members – time credits can be earned for time spent litter picking - join us!

Call Sue on **01672 810478** or email admin@sunflowers-grafton.co.uk for more information.

The Great British Spring Clean is backed by the key anti-litter charities including Keep Britain Tidy - see www.greatbritishspringclean.org.uk

Our Doctor Writes about Out of Hours (OOH) assistance, this month. Living as we do, some miles from our nearest hospitals - medical issues and emergencies can be especially worrying, particularly when the local surgeries are closed.

The **111** free non-emergency helpline is usually the best place to start - where trained medical staff will triage the patient's concerns and make recommendations for further treatment. Whilst there are Minor Injuries Units in Andover, Chippenham and Thatcham - often **111** can arrange a convenient appointment time with an Out of Hours Doctor at Savernake Hospital in Marlborough. More information about OOH is available on www.theburgagesurgery.co.uk, but a call to **111** can result in medical support for non-emergency conditions being available far sooner than a trip to GWH A&E.

Alabama rot disease in dogs – a warning

Cutaneous Renal and Glomerular Vasculopathy (CRGV), commonly known as 'Alabama rot' is a disease that damages blood vessels in the skin and kidneys and can affect dogs of any breed, age or size. Dogs reported with the disease can suffer kidney failure and/or skin lesions.

There have been a small number of vet confirmed cases in Wiltshire. The most recent case involves the sad death of a dog who it is reported was walked along the canal side in Lyneham and in Crudwell. Many thousands of dogs are walked in the countryside every day and it is important to remember that only a very small number of dogs have been affected. Case numbers have increased in recent years; however, it is hoped this is due a higher level of awareness of the disease.

As the cause for Alabama rot remains unknown dog owners are not currently being advised to avoid any particular locations and testing to date has not revealed whether there is an environmental trigger. No vaccination for Alabama rot is available.

GRAFTON AND DISTRICT HORTICULTURAL SOCIETY - Painting with plants

On the first day of spring, Wednesday 21 March, our programme of lectures and visits to private gardens for 2018 will start with a talk on PAINTING WITH PLANTS by Jane Moore.

Jane is the Head Gardener of The Bath Priory a 3 acre garden. She won a Silver Medal At Chelsea in 2003 and The British Garden Writers' Guild 'Journalist of the Year' in 2007. She writes regularly for the BBC Gardeners' World Magazine and The Guardian and The Times. She also researches and presents TV programmes and appears on Gardeners' World as a presenter.

We are really looking forward to this special visit and we would therefore like to invite non members to this evening in The Coronation Hall, East Grafton at 7.30pm. Entrance is £3.

Do let me know if you would like to come so we can put out a chair for you!! Marijke Craig, Chair GDHS. marijkecraig@gmail.com

11 November Remembrance

March update and progress report

Plans are coming together for this remembrance event.

Some people have come forward to take part to represent those who did return from combat but we do need more if we are to make this a memorable event.

WW1 uniforms have been located for hire and so we need measurements of volunteers to reserve them in good time. Email news@graftonparish.com to be included in the parade please.

There is a plan to produce lunch in the Coronation Hall serving food typical of the time. Please let us know if you can help or have any ideas.

Email news@graftonparish.com with any comments, offers and suggestions please.
