

Community Action!

As always there's so much going on in the Parish – recent events including the Fungi Forage Day and the Harvest Supper have raised fantastic sums for community causes. In the next month or so there will be 'Bonkers for Conkers'(!), Friendship of Grafton's Bring & Buy and the Act of Remembrance at the War Memorial. Festive plans are being made too – with the Annual Parish Xmas Party taking place on Sunday 19 December. We hope to see you at some of these events or one of the regular activities that takes place at the Coronation Hall.

If there's something that you feel strongly about then let's take Community Action! Speeding has been mentioned many times for example. The recent Community Speedwatch showed that over 5% of vehicles were being driven in excess of the speed limit on the A338 through East Grafton and as a Community we can take simple action to reduce this. If we all ensure we 'slow to 30' when entering East Grafton (and the other villages) then the following cars will almost certainly do the same. Together we will make a difference. If there are other areas you'd like to see some Community Action on please email news@graftonparish.com and we'll report it in a future edition of the Community News.

Children Starting School in 2011 or 2012

On Wednesday 10 November 6.30pm – 8pm the staff and governors of Grafton School and Sunflowers Pre School Committee are inviting parents of children starting school in 2011 and 2012 and parents of pre school children to an informal open evening. Parents will have an opportunity to view the classrooms and outside play areas, hear from staff about teaching styles and children's milestones and chat to staff, governors and other parents about the benefits of starting school or pre school at Grafton.

Please do come along, the evening will run very informally so don't worry if you can't make it at 6.30pm please drop in for a chat and a glass of wine. Of course, if you can't make the 10th then you are very welcome to visit the school at any time – please call the office on **01672 810478** or email admin@grafton.sch.wilts.uk or sunflowers@grafton.wilts.sch.uk

Christmas – A Time for Giving?

Research shows that more than 50% of us will do some or all of our shopping on-line. So isn't it good to know that whilst we are shopping we can very easily contribute to the true meaning of Christmas without it costing us a penny!

All you have to do is:

- Go to www.thegivingmachine.co.uk
- Click on Join as a Giver and select Grafton Coronation Hall or Grafton CofE Primary School as your beneficiary (it's very simple!)
- Once that's done, from the Giving Machine website, find the on-line store you want to buy from (virtually all of the High Street stores and all major on-line stores are there)
- Click on the link to go to the shop you want to visit
- Make your purchases as normal

It really couldn't be easier – every time you go shopping, just remember to go via the Giving Machine website and the donation will be made automatically. If you don't go via the Giving Machine, the donation won't be made. Make a real difference this Christmas – for free!

Community Round-Up

Photos and full reports on www.graftonparish.com

Congratulations to the 60 or so runners and walkers who took part in the Wexcombe 10km Run on 19 September and thank you to all the volunteers who helped to make the day such a winner. Just over £740 was raised for St Nicholas Church and Wiltshire Air Ambulance.

The Coffee Morning at the school in aid of Macmillan Cancer Support raised £65.

The annual Harvest Supper at the Coronation Hall on 27 September was again a great success. Plenty of people and lots of garden produce for the auction, together with a scrumptious supper raised over £1300 for St Nicholas Church. Special thanks to Mr and Mrs Taylor and Dave French for their very generous contributions.

Thank you to everyone who turned out for the Fungi Forage and Feast on 9 October. Particular thanks go to Nicky and Roger Phillips who so kindly gave of their time and expertise. From the foraging in the afternoon to the tea and cakes, the wonderful art exhibition and the delicious food, it was a fantastic day. Over £1700 was raised towards the Coronation Hall and the Public Access Defibrillators. Well done – a real parish effort!

The Friendship of Grafton had an entertaining talk by Tony Nolson of the Royal British Legion at the October meeting.

The annual festive quiz is always hotly contested so why not make a special effort to take part this year? Friends of Grafton will be entering a couple of teams – and if you'd like to join but are short of quiz mates email news@graftonparish.com and we'll put you in touch.

Monthly quizzes take place on the second Monday of the month.

News in Brief

Grafton Parish Council Meeting

The next meeting is on Thursday 4 November at 7.15pm in the Coronation Hall. Everyone is welcome to come along. For more detailed information, see www.graftonparish.com.

School playing field out of action for the winter

The school playing field at Grafton CofE Primary School is out of action for the winter following some rigorous work to rid the field of moles. We have had moles in the field for years and have just about managed up to now to contain the problem, but recently the moles have caused serious damage which has presented a health and safety issue for the children. It has been ploughed, levelled, treated and new grass seed sown and is now out of action until the Spring. Our apologies to those who use the field for sport and play. Community access to the playground and play areas is unaffected – as always we ask that you treat these areas with care and respect.

Hemming and Hanging

If you can spare an hour or two and would like to help us to prepare material to hang around the walls of the hall in an effort to reduce the acoustic noise in the Hall then please call **01672 810406** or email hall@graftonparish.com and we will come back to you with suggested dates. The Grafton Gaumont will be relaunched as soon as we have improved the sound quality too.

We continue to use fundraising event income to supplement the hire charges for residents of the Parish and to improve the facilities that we can offer to you all.

St Nicholas Day Service

The Bishop of Ramsbury is coming to join us for our celebration of St Nicholas at St Nicholas' Church on Sunday 5 December at 11.00 am. Please come and join us on this special occasion. Everyone is very welcome.

News from Bedwyn Surgery

We're hoping that updates from the surgeries will be a regular feature and recent 'Our Doctor Writes' articles are available on the Bedwyn Surgery website at www.oldschoolsurgery.co.uk/downloads in the meantime the following may be of interest.

Prostrate Cancer – Dr Ballard reports that he is often asked why there isn't a screening test for prostrate cancer but until recently the effectiveness of testing has not been proven. A recent British Medical Journal has however shown that whilst a one off test at age 60 could exempt certain individuals from ongoing surveillance it recommends that Doctors should individualise their testing for those in higher risk groups.

NHS Funding – over the last few years Bedwyn and Burbage Surgeries have benefited from an element of funding called 'Growth Funding' – this amount (nearly £100,000) is being withdrawn starting in April 2011 and funds will be allocated to reward surgeries who manage within their overall budgets, although exactly how this will work is not clear at this time. This reduction in funding is a quite significant for small practices that struggle to realise economies of scale and whilst both surgeries will be working hard to deliver the highest quality of service Dr Ballard and Dr King would appreciate your patience and understanding.

Free Essential First Aid Training for Parents – Parents of children registered at Bedwyn Surgery can benefit from free paediatric first aid training courses this autumn. The courses, funded by Bedwyn Surgery and run in conjunction with Angels First Aid have had great feedback from previous participants.
