### Welcome to 2026, but first.....

Everyone at the Community News Team hopes you had a wonderful Christmas and wishes you all the best for 2026. We would also like to take this opportunity say a few thank yous.

Firstly to St Nicholas Church for a wonderful Christmas service, where around 160 Parishioners attended and sung Festive Carols.

Secondly to Father Christmas and his team for travelling around the Parish bringing delight to everyone on Christmas Eve, as well as arriving at The Swan on Christmas Day to deliver gifts to the children.

Thirdly to Bill and his team for hosting Father Christmas on Christmas Day and providing the traditional mulled wine and nibbles - delicious!

And finally, to the Team of helpers within our Parish who help create and deliver the Community News to everyone - we couldn't do it without you!

### New Year, New Beginnings

January often feels like a natural time for new beginnings, and it's the perfect moment to start - or return to - a regular exercise routine. After the festive season many of us feel the need to move a little more, breathe a little deeper and restore a sense of balance.

Yoga is a wonderful way to do just that. Its mindful approach helps ease stiff joints, strengthen muscles and calm a busy mind, making it ideal for starting the year on a positive note.

A weekly class also brings routine and connection, whether you're rolling out a mat in a gentle beginner session or exploring a flowing practice that builds energy and focus.

If you prefer something livelier, Zumba or Dance classes are brilliant alternatives - both combine movement with music to lift the spirits and get the heart pumping. Have a look at the Hall and Events Calendars on page 4 for more information.

Whatever activity appeals, January offers a fresh opportunity to invest in your wellbeing. Begin steadily, listen to your body and choose something you enjoy.

By the time spring arrives, you'll already feel the benefits - increased energy, improved mood and a renewed sense of vitality that will carry you through the year.

## Getting Outdoors

We are blessed with great walking across the Vale of Pewsey and in particular in Grafton Parish.

Walking is a low cost activity to take up - at this time of year some waterproofs and wellies are essential, but more importantly is having a route you can follow.

Visit Pewsey Vale (a voluntary, not-for-profit organisation which promotes the area) is a great source of walking routes for Grafton as well as further afield.

Have a look at [www.visitpewseyvale.co.uk/walkers-are-welcome](http://www.visitpewseyvale.co.uk/walkers-are-welcome) for one day or less walking routes, or go to

[www.visitpewseyvale.co.uk/discover-pewsey-vale](http://www.visitpewseyvale.co.uk/discover-pewsey-vale) to see the three long-distance routes which can be done in stages over a period of time.

You will also find many of the routes in leaflet form at The Swan just inside the main entrance on the left.

## St Nicholas Church Update

St Nicholas had 3 successful services over the Christmas period. The Carol Service on Sunday 21 December saw a congregation of 120 in fine voice. On Christmas Day, 160 were in attendance for a wonderful service given by Rev. Jonathan Meyer (retired priest). On Sunday 28, we had the pleasure hosting the combined Savernake Team service, which saw a congregation of 42. Thanks to all that attended and come again (bring a friend). Finally, huge thanks to all those who keep our Church running throughout the year. Next Service is Holy Communion on 4 January at 1100.

## Bedwyn Link Scheme

The Bedwyn Link Scheme is a volunteer-run, good-neighbour charity in rural Wiltshire (covering Great & Little Bedwyn and surrounding villages). It provides essential transport and practical help, like taking elderly or infirm residents to shops, doctors, and hospitals - keeping communities connected.

Run by local volunteers with their own cars, it's a free service (donations welcome) for non-emergency needs, helping those with limited mobility access vital services and maintain independence.

You can also contact them and volunteer to help!

**Local Link Schemes are based on where an individual lives**
