Nina Boyer has toured extensively & sung with several prestigious big bands, and has worked as a lead vocalist in TV, film, & commercial work. Colin Green (guitar) has appeared as a soloist with the Royal Philharmonic Orchestra and worked with George Faine & the Blue Flames & Shirley Bassey. Mick Allport (saxophone) has appeared on Friday Night is Music Night on Radio 2 & played with Craig Douglas & Thunderclap Newman. Dave Richmond (bass) was a founding member of Manfred Mann & has worked with the Shadows & Elton John.

Charles Charity is delighted to have helped sponsor Alicia, (Nina's daughter) who is an incredibly talented ice skater.

Just a thought for the holidays. Young people will be able to swim for free this summer as Wiltshire Council's pledge to fund free swimming during school holidays continues.

Children aged up to 16 can enjoy free swimming during all public swimming sessions at their local Wiltshire Council and Places for People Leisure Ltd managed leisure centres. The free sessions are very popular so people are advised to arrive in plenty of time.

In the mean time we wish all our readers a very happy holiday season.

Time to regenerate the batteries, bring in the harvest and prepare for the Autumn ahead.

This is always a quieter time of year for community activities but do please remember how much volunteer work is appreciated and how much it contributes to the community cohesion that we so often take for granted.

There are a number of organisations which currently offer help to people in need of a little time and consideration but nothing equates to the neighbourly visit and offer of help.

Watch out for the autumn colours, take time to enjoy all that is so special about where we live and recharge your batteries for the winter ahead.

## OUR DOCTOR WRITES

All women between 50 and 70 are offered the national breast cancer screening or mammography service. You may have had an invitation fall through your letter box recently if you are in this group. There is a plan to extend the screening to age 73 for all women by 2016. The incidence of breast cancer does increase with increasing age and older women can opt to stay in the screening programme but will not be routinely called.

Screening fit and healthy people for an illness is a complex business. The aim is to be able to pick up breast cancer at an early enough stage for intervention to make a difference. A lot of people need to be screened to find one breast cancer that a woman was unaware of. There is no doubt that the screening programme does detect early breast cancers and for some women this can be life saving. For others the screening process can lead to having further tests, which, at a later date turn out to have been normal. Screening tests like this can also pick up some types of problem that if left alone would never have led to a serious threat to health. So as I said it is complex and it is important that all women can make an informed choice about the screening programme in a balanced way. You can talk to your GP or you can find some good resources online at: [www.cancerscreening.nhs.uk](http://www.cancerscreening.nhs.uk)

The worst of all worlds though is to simply ignore the invitation to be screened. So if you feel that screening is right for you go along and have the test. If you are unsure about it look online or arrange to talk to your GP.

Regardless of your final choice simply being aware of our own bodies and noticing and picking up change is a really good start.

Dr Tim Ballard

### Youth Activities – Autumn Programme

Plans are progressing for a series of 4 activities to cover the Autumn Term.

Making and designing cupcakes - w/c 21 September

Ice skating trip to Swindon - 27 October (Half Term)

Hands on introduction to pottery - w/c 16 November

Self Defence - either w/c 30 November or 07 December

Keep an eye out for more details. Meanwhile the planned Ice Skating in August has been postponed to October, it became evident that very few young people could make the date and very much wanted to be able to participate.

The application for funding is coming along and will be submitted early Autumn and training for parent volunteers is under way.

If you would like to now more and or like to join as a parent volunteer supporting the programme please contact [karen.brown@wiltshire.gov.uk](mailto:karen.brown@wiltshire.gov.uk) or **07795 665756** or [news@graftonparish.com](mailto:news@graftonparish.com)

## News In Brief

### Why is bridge good for people & community?

Bridge is an excellent social game and can be played by everyone- players can meet new people, make new friends, take on new challenges, it can be played anywhere, in the home or in clubs. Please contact Andy Hill for further details & Availability Tel : - **01380 724725** or [andyjbridge@btinternet.com](mailto:andyjbridge@btinternet.com)

### Keep warm this winter

Residents in Wiltshire have the opportunity to insulate their home for free thanks to a scheme which could help save them hundreds of pounds a year.

The Centre for Sustainable Energy's Home Energy Team, working with Wiltshire Council, has secured grant funding which means any homeowner, or privately-renting tenant in Wiltshire, will be able to have cavity wall insulation installed in their home, free of charge. Loft insulation can also be installed at no extra cost if the cavity is being insulated.

The available funding is for cavity wall and loft insulation which tackle the problem of cold homes and excessive expenditure on fuel bills for residents in Wiltshire. Those who live in an average semi-detached house could save £295 a year on their fuel bills.

The Home Energy Team can also help residents find out about various other ways to lower their heating and electricity bills with free and impartial energy saving advice.

For further information and to arrange a survey, people should call the Home Energy Team on: **0800 082 2234** or email [home.energy@cse.org.uk](mailto:home.energy@cse.org.uk).

### The Police & Crime Commissioner

Angus McPherson, will be attending the next Pewsey Area Crime & Community Safety (PACCS) meeting on Wednesday 28 October at 2.30pm in the Pewsey Parish Office.

Mr McPherson will be informing us and answering questions on how levels of service and safety will be maintained or improved in the Pewsey Community Area given the recent cut in front line resources. This cut comes despite the Pewsey Area Board supporting an increase in the Police precept which we had been assured would reduce the likelihood of any resource cuts. The full agenda will be published closer to the meeting date.

### The new bus timetable

This will be posted on [graftonparish.com](http://graftonparish.com) for reference very soon.

### Mills on Air

29 – 31 August from 10am to 4pm each day.

Colin G4GBP and friends will be setting up an amateur radio station at Wilton Windmill for the August Bank Holiday weekend - and everyone is welcome to come along and join in.

Visitors will be able to pass greetings and messages to other amateur radio stations in the UK and continental Europe. There will be amateur radio enthusiasts on hand to explain about this hobby and to encourage you to take part. We hope you'll be able to join us.

For more information about the radio station go to [www.qrz.com/db/gb0wmm](http://www.qrz.com/db/gb0wmm) For more information about Colin G4GBP go to [www.g4gpb.co.uk](http://www.g4gpb.co.uk)

### Heritage Open Day

Sunday 13 September 12 noon to 5pm

Open for free guided tours, tea and cake and children's games.

Part of the national Heritage Open Days weekend.

### Help Needed!

Wilton Windmill will once again be opening its doors on Sunday 13 September from 12 noon to 5pm as part of the national Heritage Open Days weekend. If you would like to get involved in helping with the day, then please let us know **07802 444022** (leave a message if there's no answer) or email [secretary@wiltonwindmill.co.uk](mailto:secretary@wiltonwindmill.co.uk) – we are always looking for helpers in the tea tent and cake makers, but if you think you have other skills to offer (putting up tents for example), then please let us know – we never refuse an offer of help!
